

Josué Isaí Nolasco Quintero

Developer

About me

Full-stack developer with more than 5 years of experience creating web and mobile solutions with React, React Native, Node.js, PHP and ASP .NET. Specialist in relational databases and not relational, and design patterns. Committed to the delivery of scalable, efficient and well-documented products.

PERSONAL DETAILS

Ciudad Victoria,
Tamaulipas

josuenolan96@gmail.com

+52 834 252 32 84

Experience

- Secretariado Ejecutivo del Sistema Estatal de Seguridad Pública Tamaulipas**
DESARROLLADOR Mar 2020 - Presente
I led the development of web, mobile and desktop systems for internal control, administration, and monitoring processes using React, Node.js and SQL Server. I reduced the times of 40% processing through automation of key processes.
- Smart City Soft**
Developer Apr 2023 - Feb 2024
I participated in the development of the platform "Ventanilla Única" using React, MUI Material, Node and Mongoose. I optimized user flows and helped scale the system for more than 10 municipal governments in Mexico.

Education

- Instituto Tecnológico de Ciudad Victoria**
Computer Systems Engineering Aug 2014 - Feb 2019
